From The Editor's Desk

Dear Reader,

Once more, it is with immense pleasure that I was given the opportunity to work on the third edition of the college newsletter “THE EDUCATIONAL BUZZ”. As we all know, a newsletter mirrors a college- Its vision and mission. It also highlights events, activities and academic achievements. In this edition, I have tried to capture all the activities of year 2019. It is fine thing to have ability but the ability to discover ability in others is the true test. I am really thankful to our respected Principal Sir for entrusting us with the responsibility of editing this newsletter.

I take this opportunity to thank all the dignitaries for sparing their valuable time to send their best wishes for the newsletter in the form of ‘Messages’. A lot of effort has gone into the making of this edition. We hope you enjoy reading this issue as much as we have enjoyed making it. Please feel free to offer any suggestion for improvement. HAPPY READING....
